News and Announcements from All Saints' Episcopal Church  Atlanta, Georgia

## VBS 2017: Let's Find Paul!

The giggles, the singing, the dancing, the drama, the art, the science experiments, the snacks, the games... are all a path to teaching the stories and creating a community of our faith. Churches saw the need for childcare and things for kids to do during the summer months as an opportunity to get quantity and quality time with kids that they typically don't get during the school year. Vacation Bible School is as old as the summer break from school.

This year we dive into Paul and the Underground Church in Rome. Your children won't just hear about God's love at VBS – they'll live it! They'll mingle through a crowded Roman marketplace, learn with the Apostle Paul, tiptoe past Roman guards to a hidden cave where they'll pray with first-century Christians who eagerly await news from their imprisoned friend, the Apostle Paul. There will be Roman crafts, foods from the culture, games and dramas to act out the Bible stories.

The kids will be divided into Family groups with two teen/adult leaders that accompany them to each area throughout the day. Adult volunteers will lead each "class" visit – using drama, art, games, and science. Groups will be a mix of ages where big kids and little kids learn to work together. Together they'll sing and dance and play and make things that bring the letters of Paul to life.

And as always, there will be a component of service to others; as we learn about the aqueducts and clean water, we will be collecting change to send the gift of life-giving water to kids in some of Peru's most remote areas.

Kids' schedules (and ours!) are packed to the brim with activities, clubs, sporting events, and even community service during the school year.

All of these activities add value in different ways to your child's development, but leave little time for teaching the

stories of our faith that are the bedrock of all other development. While thirty minutes of Children's Church and forty minutes of Children's Formation a week are critically important in children's formation, it's just not enough time to discuss in depth what these stories mean for us today.

Vacation Bible School has the magic that happens from spending longer periods of time together, having fun and learning. We get to dive deeply into a subject that is usually covered more quickly during the school year. If your child has never come to Children's Formation, Vacation Bible School is the perfect time to introduce them to the community. They'll easily make new friends during this fun-filled week. Getting them to Sunday Formation won't be a chore because they will already have friends and a community.

Come join us for the fun and fellowship... and bring a friend! We can always use lots of volunteers – the week before to create our stage and decorations and the week of VBS! Can't do it without you!

This year, we are offering aftercare from 12:30–3:30 p.m. provided by some of our teen pilgrims (and me) to raise money for their pilgrimage this summer. Aftercare cost is \$60 for the week and they should bring a lunch with them. ✝

## Novel Theology

*The Dinner*,  
by Herman Koch

One summer evening, two couples meet at a fashionable restaurant for dinner. When the conversation turns to their children, civility and friendship disintegrate as each couple shows just how far they will go to protect those they love. Revealing the dark side of genteel society, this novel asks what each of us would do in the face of unimaginable

tragedy. Join us for our End-of-Year Potluck which will begin at 6:00 p.m.

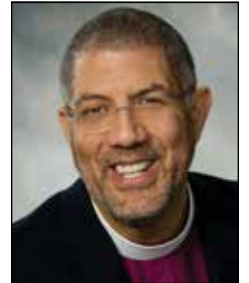

**Wednesday, May 17**

## Mother's Day Service of Prayer and Healing

---

Mother's Day is traditionally a day when we celebrate and honor remarkable women in our lives. For some, however, it can be a difficult day on which they grieve a mother or father now gone, a child that has been lost, or mourn the hopes and dreams of parenthood and traditional family life that are unattained.

This year we will have a special healing service recognizing that this day is not one of joyful celebration for everyone, but that there is comfort and compassion in the community of faith. ✚

## Vestry Notes

*From the meeting on March 20, 2017*

Charlie Ogburn reported that the Parish is financially sound. The Finance Committee met last week and Charlie thanks God for David Aldridge's leadership. The Buy the Block loan has been paid down to \$309,000. February was a good month for pledges. Year to date we remain ahead of budget.

Beginning and ending with prayer, the vestry then took part in exercises to follow up on the Dismantling Racism course that were attended by all.

Ellen Hayes reported that she and Virginia Harrison are starting to work on the canvass for the Fall. Woody Vaughan and Ellen

are working on an Adult Formation class regarding the Cornerstone Society that will discuss retirement, funerals and other life planning. James Wells will also join to discuss living in the "third phase of life"

The Parochial Report was presented and a motion was made to it. The motion carried unanimously.

The meeting was then adjourned following a time of prayer.

All vestry meetings are open  
and meet at 4:30 p.m. in P305/306  
of the Parish House with dates announced  
in The All Saints' Monthly.

## Easter tide

During this Eastertide, we will be using Eucharistic Prayer C because of the vibrant images such as:

*...the vast expanse of interstellar space, galaxies, suns, the planets in their courses, and this fragile earth, our island home.*

*From the primal elements you brought forth the human race, and blessed us with memory, reason, and skill.*

And for its emphasis on the resurrected life:

*Open our eyes to see your hand at work in the world about us. Deliver us from the presumption of coming to this Table for solace only, and not for strength; for pardon only, and not for renewal.*

### Eucharist Prayer C

Sundays, through 7 Easter, May 28.

Begins on page 369, Book of Common Prayer
